

Parent Network Newsletter

SPN MISSION

Support student achievement and a sense of school community through a strong family and school partnership. The Sage Parent Network provides parents an opportunity to build strong relationships between parents, students and staff.

Parent Network Responsibilities:

- Engage in open, two-way communication with the school leadership, staff and school community.
- Support the fundraising efforts and goals of the school.
- Organize relationship-building activities (open houses, social events, etc.).
- Provide parent volunteer opportunities including classroom help, teacher appreciation and parent education which support student achievement and community building.
- Assist with special school programs such as "Beautification/Work Day" (planting, cleaning, organizing, etc.) as needed.

Come Join Us!

The Sage Parent Network meets monthly (the second Monday) and is open to all parents of Sage International School students.

Our mission is to do whatever we can to further the academic goals of Sage school, and in so doing support the teachers and staff and students. We will be experimenting with the meeting times and locations to make it feasible for more parents to attend.

**Next meeting is Monday
February 13th** at 4:30 on the second floor of the middle school.
See you there!

SAGE
INTERNATIONAL SCHOOL
OF BOISE

Save the date
Sage's Second Annual
Mind the Gap Party!

This is no ordinary event...
Saturday, March 17th.
That's right Saint Patrick's
Day. Stay tuned for details.
